

Dear Members and Friends of Trinity,

“It’s not what you know, but whom you know”...that’s an insight you’ve undoubtedly heard any number of times that reflects on a real truth. This directory of professional services of Trinity members is exactly what you need when looking for help. If there is a fellow brother or sister in Christ who can assist you, what a blessing it is to have someone who is not only skilled, but someone who is probably sitting near you at worship.

Please keep this directory close at hand so when a need arises you can check to see if there is someone at Trinity who can assist you in whatever you are working on. I know these people will appreciate your business.

Have fun!

Pastor Paul

A Directory is simply a list of professionals or businesses, and no recommendations or guarantees are made regarding the quality of service you might expect from any of the professionals or businesses listed. The Telephone Yellow Pages is a common and well-known example of a Directory. Every business is listed for free, and some businesses pay an advertising fee for a larger listing or display ad. Whether the listing is free or paid, no recommendations are expressed or implied, regarding the quality of services provided.
